## STATEMENT

### **on risk awareness for leveraged transactions, including Forex trades**

I, the undersigned, \_\_\_\_\_, hereinafter confirm that I am informed about the high level of risk associated with leveraged transactions, including Forex trades, and I understand that conclusion of the aforementioned transactions is suitable for the customers who are prepared to lose the amount of collateral (margin) they have invested. I am also aware that such transactions are characterized by considerable price fluctuations, which can result both in high profits and significant losses.
